

2019-2020 ORCHESTRA DUES

The Orchestra program fees are \$175 per year. This fee includes meals before and after concerts, buses to and from required field trips (LGPE), instrument repair and maintenance, supplies like strings, rosin, shoulder rests, rock stops, chin rests, end pin and rock stops. This fee also covers the cost of music for the concerts, both rental and purchase, and includes the replacement of broken strings and minor repairs (as well as spare parts). For students new to Chattahoochee Orchestra, most of their fee will be used to cover their uniform.

Fulton County prefers that you pay your Orchestra Dues using the Online School Pay System (OSP). Click the link below to go to the OSP page and pay your orchestra dues.
